Coins for Kenya

April 3 -19, 2018

**Li'l Pirates + Loose Change =
Service Learning Project!**

Many children in Kenya have to walk miles, several times a day, to get dirty water from a river or stream to take back to their village. The money will help construct 24 household community tanks, each giving 2,000 people access to potable water. Grace Early Childhood has partnered with Ryan's Well for this service learning project.

**We will have a large
aquarium at the front
entrance so students
can watch our donations
accumulate!**

Dance-a-Thon

— hosted by Room 5, all Grace Li'l Pirates can collect pledges as they dance non-stop for 10-20 minutes. What a great way to help others AND get the wiggles out!
